

Aplicație web de fotografii si servicii foto online

- **LenSociety** -

Pagina principala a site-ului contine un navbar care face trimitere la 5 puncte importante ale aplicatiei: Home, Explore, Book Photoshoot, About Us, Contact. De asemenea, se regaseste un buton de account, de unde se poate selecta optiunea Login sau Signup.

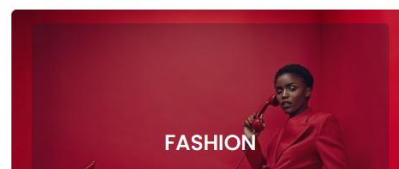

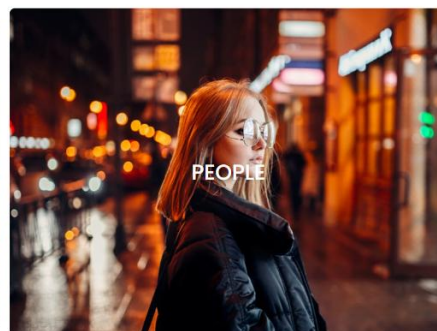

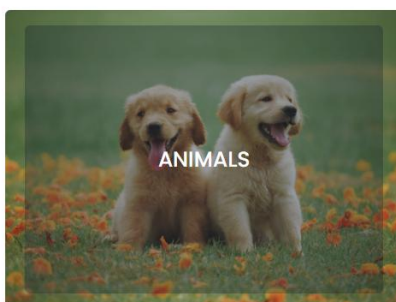

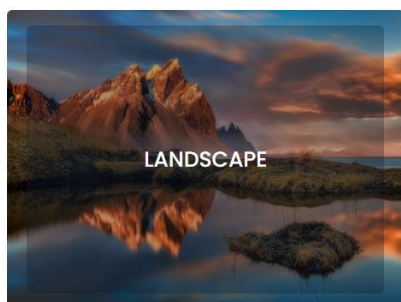

Platforma este un mediu online destinat fotografiilor amatori și profesioniști, precum și utilizatorilor care doresc să beneficieze de serviciile acestora. Această documentație oferă o prezentare generală a funcționalităților principale ale platformei și a modului în care utilizatorii pot interacționa cu aceasta.

Buton-ul Explore da scroll la pagina conducand la alegerea unei categorii de fotografii.

Inca nu este implementata partea de backend, asa ca va puteti loga cu orice credentiale, iar pentru a ajunge la pagina de admin am facut un buton care va fi sters in urma implementarii backend-ului.

In urma logarii, dupa implementarea backend-ului, butonul de account va duce la pagina contului, unde daca sunteti contributor, puteti vedea ce poza ati incarcat si aveti buton pentru a incarca inca o poza si mai puteti vedea ce request-uri aveti de la diferiti clienti. (admin-ul asigneaza aceste request-uri). Daca sunteti logat ca si user normal, puteti vedea ce poze ati apreciat si le puteti descarca si de aici.

De asemenea, exista optiunea de editare a profilului, prin apasarea butonului de settings.

In sectiunea de Explore, utilizatorii au la dispozitie fotografii din toate categoriile (incarcate de utilizatorii de tip contribuitor) , unde le pot aprecia si descarca ori de aici ori din pagina profilului, doar daca dau inima la poza. Pentru a ajunge la aceasta pagina, se alege o categorie din pagina Home a platformei. Aici, de asemenea, se poate alege orice alta categorie pentru vizualizare din baa din partea de sus a paginii.
